RESPONSE TO NON-COMPLIANT APPEAL BRIEF

Dear Sir:

In response to the Office Action mailed June 24, 2009 (hereinafter, “instant Office Action”) regarding a non-compliant appeal brief, please consider the following remarks and enter the following amendments.

The instant Office Action states that the “brief does not contain the status of the after-final amendment filed on June 2, 2009. The entire brief is not required, only the section that was found defective” (instant Office Action, page 2, section 10). Page 2 of the instant response contains the amended language for the “Status of Amendments” section.

IV. Status of Amendments

The amendments made in the After-Final Amendment filed March 30, 2009 were not entered. In compliance with 37 C.F.R. §116, an amendment subsequent to the Final Action has been filed on June 2, 2009 to address the antecedent issues and typographical errors, contemporaneously with the instant Appeal. These proposed amendments have not been entered. The Clean Copy of the Claims on Appeal in Section VIII of the instant Appeal Brief does not reflect the proposed amendments.

CONCLUSION

Based on the remarks and amendments presented above, Applicants respectfully request that the proposed amendments be accepted.

The Examiner is invited to contact Applicants' undersigned representative if the Examiner believes such action would expedite resolution of the present Application.

Respectfully submitted,
WAGNER BLECHER LLP
